

PROFESSIONAL EXPERIENCE

12,000 MW Thermal Power Project

648 MW Solar Power Project

400 MLD STP Projects

100 MLD Water Treatment Plant

10 MTPA Integrated Cement Plant

Various make DCS & PLC/ SCADA

CONSULTING, DESIGN & ENGINEERING

With more than 32 years of experience, we provide exceptional industrial automation, electrical, Process and instrumentation solutions, including consultancy, upgrading, and O&M services.

We offer end-to-end solutions for instrumentation, electrical, and automation, and excel in integrating turnkey solutions for a diverse range of process industries such as:

- **Thermal Power Plant BTG**
- **Thermal Power Plant BOP**
- **Water Treatment Plant**
- **Renewable Energy**
- **Cement Plant**
- **Material Handling Plant**

Sky Consultancy & Engineering Solutions
107, SBTC (South Bopal Trade Center),

www.skyconsultancy.in

Sky Consultancy & Engineering Solution provides Project Consulting Services as well as end-to-end solutions in the field of Process, Electrical, Instrumentation and Industrial Automation in various Process Industries like Thermal Power Plant BTG & WTP, AHP, CHP, HVAC, Hydrogen Generation & Fire Detection system etc of Thermal Power Plant of BOP Packages as well as Solar Power Plant.

WHY SKY CONSULTANCY AND ENGINEERING SOLUTION?

Sky Consultancy & Engineering Solution delivers precision-driven ,Mechanical, automation and electrical solutions backed by **32+ years of expertise.**

Professional Experience:

- **Adani Infra (India) Limited**
(12x660 MW, 2x 800MW, 4x330 MW)
- **Jindal Power Limited**
(4 x 250MW)
- **Hindalco Industries Limited (Renusagar Power Division)**
(10 x 74 MW)
- Solar Power Project- 648MW
- Solar Module Mfg- 1200MW

NOTABLE ACCOMPLISHMENTS

- Head (C&I)/GM in Engineering - Adani Infra (India) Ltd
- Head (E&I) in Technology Center of Excellence Dept for the study & implementation of new technology & development - Adani Group.
- Project Engineering Manager (PEM) -GM for Kutch Copper Smelter Project (1 MTPA) at Mundra, Gujarat - Adani Infra
- Lead (C&I) for Cement Business - Adani Infra
- Lead (C&I) for Renewable Energy - Adani Infra
- Lead (C&I) for BTG & BOP- Jindal Power Limited
- Best Trainer Award - Renusagar Power Div.

OUR SERVICES RELATED TO CONSULTING INCLUDE:

- Basic and detailed Design Engineering
- Study, design, engineering, and consulting services
- Conduct feasibility study, optimization study, conceptual study
- Preparing Electrical, Process, Instrumentation & Automation detail design and carrying out engineering reviews
- Provide professional consulting services (in capacity of independent consultant/contractor and Owner's Engineer)
- Support Procurement
- Provide technical review, peer review and quality assurance review on project deliverables
- Planning & Monitoring
- Provide support during Erection, Testing & Commissioning
- Equipment Inspection and Testing
